iRES Technology Appoints Canadian Distributor

iRES Technology has appointed NVU Electronics to distribute its Video Security products in Canada. "NVU's full-service approach to distribution along with their dedication to service and support makes them an ideal partner", commented iRES CEO Joel Kligman.

Based in Toronto, ON, NVU Electronics Inc. handles a variety of product lines targeting both custom installation firms and retailers serving the professional video market. "We are looking forward to introducing the iRES video security product line to our reseller network" said Bobby Revai, NVU President. "We are confident they will enjoy both the quality and the competitive pricing"

NVU Electronics Inc. can be reached toll-free at 1-866-411-2NVU, or via e-mail at sales@nvu.ca.

iRES Technology (www.irestechnology.com) is a developer and manufacturer of high resolution video surveillance solutions including Analog cameras, DVRs, IP Cameras and IP Servers.
